

SUSHI NAKA NAKA

LETTER OF RECOMMENDATION

Sushi Naka Naka is a restaurant that's been in business for 10 years and is located in Oltaszyn district in Wrocław. The whole crew is dedicated to preparing dishes that meet the expectations for even the most demanding guests. Our unquestionable asset is an experienced team, fascinated and inspired by Japanese cuisine to learn its intricacies every day.

In the service industry like ours the recommendations from satisfied customers are extremely important. That is how we started cooperation with JWW. The recommendations we received were confirmed upon the very first encounter with the accounting office team. Professional knowledge combined with a friendly attitude and full commitment in our affairs allows us to focus on running a restaurant because we're certain that our finances are controlled by experts. In the light of ever changing regulations, we are calm and confident that all our business operations are performed in line with the current legislation.

The accounting office provides its services for bookkeeping along with HR and payroll services. We most definitely recommend JWW as we know it to be true that cooperating with a solid business partner is of fundamental importance.
