TEMPUR+SEALY

LETTER OF RECOMMENDATION

Tempur Sealy Polska Sp. z o.o. is Polish subsidiary of Tempur Sealy International, Inc. (NYSE: TPX) - the world's largest bedding provider. The company develops, manufactures and sells mattresses, pillows, beds and accessories. The company's product portfolio includes many well-known brands, such as Tempur®, Tempur-Pedic®, Sealy® featuring Posturepedic® Technology, and Stearns & Foster®. The company's global headquarters, Tempur Sealy International, is located in Lexington, Kentucky, USA.

Customer satisfaction with the products we offer is our mission, which is why successful cooperation with business partners is so important for us. The JWW accounting office has confirmed its support and experience over the years of our presence on the market. Knowledge of the subject, combined with an individual approach to the affairs of their clients, is reflected in the achievement of tangible business benefits. The commitment that the whole team puts into completing its tasks definitely translates into satisfying cooperation with the JWW accounting office.

Sleep comfort is an area in which we specialize as Tempur Sealy while running and focusing on your business is a comfort that an entrepreneur can achieve through cooperation with the JWW accounting office.
