

JOB OFFER · WROCŁAW

Junior Accountant

Just starting out in accounting? This is a good place to begin: you learn on real documents, with an experienced team right beside you.

STEP 02 ON THE JWW CAREER PATH

YOUR PLACE ON THE CAREER PATH

What you'll do

- You post documents in Symfonia FK or Optima.
- You check source documents for accounting and formal accuracy.
- You help with day-to-day accounting for clients.
- You get to know different areas of accounting by working with the whole team.
- You answer clients' questions.

What matters to us

- A degree in accounting, finance or a related field – completed or in progress.
- The basics of VAT, PIT and CIT.
- Very good Excel skills.
- Accuracy – here, every number counts.
- Eagerness to learn.

What we'll teach you: Symfonia FK and Optima if you don't know them yet, and how the regulations work in practice – step by step.

Language: fluent Polish is required.

Nice to have: good English.

What's in it for you?

Private healthcare

Specialist doctors without the long wait.

Group insurance

Extra protection for the unexpected.

Multisport card

Gyms, pools and sports classes all over Poland.

Flexible start

Start work between 7:00 and 9:00 and plan your day your way.

Referral bonus

Know someone who would fit our team? Recommend them and get a bonus.

Team events

City games, trips and parties – like our Mexican fiesta.

How does recruitment work?

01

You send your CV

Through the form on our Work with us page.

02

We talk

You tell us about yourself, we tell you about working at JWW and the team. Sometimes we also ask for a short practical task.

03

You hear back

Usually within one to three weeks. We reply to everyone, whatever the outcome.

04

You start

You settle in at the office, side by side with an experienced team.
